

Welcome to the 36<sup>th</sup> Annual North Texas Council of Railroad Clubs Train show season.

We are late sending this out because of the uncertainty surrounding events like train shows during the Covid-19 crisis. After much discussion, we have decided to cancel the Fall Plano Train Show that was scheduled for October 3, 2020 but continue to plan the Dallas Area Train Show for January 16-17, 2021.

The NTCRC expects that there will be social distancing guidelines in place in January, but since these rules change regularly, they will be addressed closer to the event. We imagine that these requirements will mean keeping the number of people in the Plano Center under a threshold and perhaps also wearing face masks. This will be a learning process for all of us, but with your help we can have a successful and safe train show.

Setup times for the Dallas Area show are Friday January 15<sup>th</sup> from 10:00 AM – **9:00 PM** Saturday from 7:00 – 10:00 AM.

We will continue to have a couple of people assisting the direction of traffic in front of the roll-up door. Unloading is limited to **45 minutes**, so please be efficient so that the next vendor can back up to the door. This has been abused in the past with some people leaving their trailer or van in front of the door for over 2 hours. Please set up your booth **after** you have unloaded and not while you are unloading.

The North Texas Council of Railroad Clubs welcomes your participation in the 2019/20 Show season. We appreciate your past support and look forward to a successful season.

Parking at the Plano Event Center is still free!

Best Regards,

Chris Atkins  
President, North Texas Council of Railroad Clubs
